EXPLANATION KEY: In the early years, the NRSFTC ran one annual championship. They eventually began running a trial in the spring and another in the Fall. The Fall was a Shooting Dog Championship and the spring trial was an All Age Championship. As membership and participation increased, The NRSFTC offered two championships in the fall: The Amateur Shooting Dog and The Open Shooting Dog. On this table the following key is used to differentiate when the trial was run and (later years) what specific Fall trial it was: F (Fall) S (Spring) FA (Fall- Amateur Shooting Dog) FO (Fall- Open Shooting Dog)
